20/03/2025

To whom it may concern,

It's my great pleasure to endorse Ibraheem Nassar for the position of Member Committee Vice President Brand for the term 2025–2026 in AIESEC in Bahrain. I've had the chance to know and work with Ibraheem over the past year, and I've always been inspired by his journey, growth, and the passion he brings to everything he does. From day one, he's shown a strong sense of responsibility, creativity, and consistency in delivering results that go beyond expectations.

Ibraheem is someone who constantly pushes his limits and embraces challenges with a learner's mindset. Whether it was in the projects he led or the campaigns he contributed to, he always approached his work with a strategic perspective and a deep understanding of the AIESEC brand. His creative thinking is matched by strong execution—he knows how to turn ideas into campaigns that truly resonate.

What makes Ibraheem stand out even more is his collaborative spirit. He's the kind of team member who lifts others up, supports when needed, and brings energy to any space he's in. He also possesses valuable technical skills, especially in design, brand positioning, and digital content creation, which will undoubtedly contribute to the growth of AIESEC in Bahrain's brand presence.

Ibraheem has shown integrity, ownership, and heart in everything he does. I'm confident that with his vision and commitment, he will be a key asset to the MC team and will elevate the national brand to a new level. That's why I proudly endorse Ibraheem Nassar for the position of MCVP Brand for the term 2025–2026 in AIESEC in Bahrain.
